FIRST SUNDAY OF LENT

This week we meet Maristely who lives with her family in a favela (slum) in Brazil. When they first moved to Sao Paul, favela houses were made of cardboard, there was no electricity or water and sewage ran down the street. Caritas Australia's partner, the Movement for the Defence of Favela Residents, is changing lives across 40 favelas in Sao Paulo by helping families gain access to clean water, electricity and connected sewerage. Across the favelas there is a dominant culture of violence. **Please donate to Project Compassion today.** Your solidarity means communities like Maristely's can enjoy a full life.
