PARISH CENSUS ANALYSIS

Recently the parishes of Flemington and Kensington received social profiles of our area based on the 2011 Australian census. The information is most interesting and describes the changing nature of our local communities. The quite detailed material has been analysed and summarized by Professor Des Cahill and is now available on the parish website. Printed copies are available at the back of the church.

SECOND SUNDAY

OF LENT

Your donation to Project Compassion helps Caritas Australia pursue justice and assist those who are the most vulnerable to extreme poverty and injustice.

This week we meet Deng who is blind and had to flee his village during the civil war, returning to his home village in 2005. Thanks to Caritas Australia's partner, Hope Agency for Relief and Development, Deng and his family have received goats, chickens, fishing nets and a selection of seeds to plant.

With your support, families like Deng's can be confident of a more secure future and can rebuild their lives.
