THIRD SUNDAY

OF LENT

Your donation to Project Compassion means vulnerable people can live in safe, supportive communities and have hope for the future.

For most of Archie's life he lived with his parents and nine siblings in a one-roomed house beside the Plaridel River in the Philippines, an area prone to flooding and typhoons. An emergency resettlement program supported by Caritas Australia helped the family resettle into permanent and secure housing away from the flood prone river.

Please donate to Project Compassion and help vulnerable families living in unsafe environments to resettle into secure housing, where they can start to have hope for the future.
