Reflection

Love without reserve

Peter had denied Jesus three times, but he had returned as a rock to strengthen and lead the Christian community. Paul had persecuted Christ, but he had changed his ways to become the energetic apostle who pushed the reaches of the Gospel far beyond the confines of Judaea and Samaria. Both men had fallen; both men had risen again to new heights. Peter was Jesus' choice to head the Christian community and be its source of unity; Paul was Jesus; choice to take his message to the Gentiles. (Fr Denis McBride)
