FOURTH SUNDAY OF LENT

Your support for Project Compassion allows Caritas Australia to build a just world by enabling vulnerable communities to be architects of their own future.

This week we meet Martina, a teacher in the Solomon Islands, Her favourite part of the school day is teaching the children songs from Caritas Australia's Disaster Risk Management project which was established after a sting of natural disasters in the Pacific that threatened the homes and communities of people living in the Solomon Islands.

Through the power of nursery rhymes and songs, children are learning how to stay safe during an emergency. Please donate to Project compassion today so we can continue to educate teachers like Martina and help keep children safe during an emergency.

SPECIAL PRAYER REQUEST – MARTIN HALL

Dear Parishioners,

I ask that this weekend, the parish of Holy Rosary make a special effort in prayer for Martin Hall. Martin is a parishioner who worked extensively on the church refurbishment. Since October last year, Martin has been involved in a very long and protracted legal issue in the United Arab Emirates as a result of his work commitments there. He has not seen his family since that time and Liz informs me that after many delays, a hearing is scheduled for Monday.

Let us unite our prayers this weekend in a special way asking God to be with Martin and his family and to bring him home safely very soon. We ask Mary, Our Lady of the Holy Rosary, to be with Martin and his family at this difficult time to give them courage and strength. We assure Martin, Liz and all the family of our prayers, our love and support at this very challenging time. Fr Max Vodola
