

Glenis and Val

Val and Glenis have been involved in the Holy Rosary community for many, many years and we would like to acknowledge our deep sense of appreciation to Glenis and Val, for their loving devotion and care of Holy Rosary Church for well over 30 years.

They have taken time from the "busy-ness" of their own lives to always make certain that the Church has been cleaned, from the vacuuming to polishing the brassware and candle holders to the care of the Sacristy, along with countless other jobs that needed to be done, to make sure that all was ready for Mass on the weekend.

Val and Glenis have also ensured that all the altars have been beautifully adorned with creative flower arrangements, contributing to the celebration of the Mass every week.

Over the many years, Glenis and Val have also worked to ensure the success of very special events at Holy Rosary including Confirmations, Weddings and the special church festivities at Christmas and Easter.

Much of the work has been "behind the scenes", without fuss or bother or need for recognition, but their contributions to our community have been very much valued and appreciated.

It is telling that all of Glenis and Val's contributions to Holy Rosary now take seven people to complete. It truly reflects the wonderful commitment and care that these incredible ladies have given to Holy Rosary and the community over this time.

Mother Teresa once said:

"At the heart of silence is prayer.
At the heart of prayer is faith.
At the heart of faith is life.
At the heart of life is service."

Glenis and Val, your service to the Holy Rosary community certainly reflects this.
