### PHILIPPINES TYPHOON DISASTER

We continue to pray for the victims of the typhoon disaster in the Philippines. Caritas Australia is responding through her partners on the ground in the Philippines through the provision of emergency supplies. The death toll and damage from this disaster is simply beyond our comprehension. The parish will take up a special collection next weekend 23/24 (November) and send this money immediately to Caritas Australia. In the meantime, if you wish to make credit card donation please go to the Caritas website [www.caritas.org.au](http://www.caritas.org.au) or phone toll free 1800 024 413. Please continue to pray for the people in the Philippines and for an immediate and generous response from the international community.

### Reflection:

In 1492 when Christopher Columbus sailed into uncharted oceans, many at the time were convinced that the earth was flat. They felt that if they sailed too far, you would go over the edge.  
 In today's gospel, Jesus describes the end times that none of us can avoid. But if we have unswerving faith, perseverance will save us.
